

## Rollers

### **DRS-220 Doorslammer Roller**

DRS-SW01 Chassis, DRS Fish Tires, Clear Body Factory Modified, Top Sportsman, Top Gun, Brackets, and Index Classes, Depends on body and motor. These cars are based on a Doorslammer type car meaning that if it were a full-scale car it would have opening doors, hood, and rear decklid. We use various body styles. They are built with all top quality components. A real buy for the money.

### **DRS-221 Pro-Stock Truck Roller**

DRS-SW07 Chassis, DRS Fish Tires, Clear Body These Trucks are great for the popular Truck Classes, Pro-Stock Truck is one of the more popular classes in Slot Drag Racing.

### **DRS-222 Alcohol Funny-Car Roller**

DRS-SW03 Chassis, DRS Fish Tires, Clear Body A/FC, BB/FC, Brackets, and Index Classes. These cars are based on the ever popular Funny-Car. They are built with all top quality components. A real buy for the money.

### **DRS-223 Alcohol Dragster Roller**

DRS-79 Chassis, DRS Fish Tires, Clear Body A/D, Brackets, and Index Classes. These cars are based on the "Wedge" Dragster design. We use the DRS-522 "Wedge" body mounted clear and ready for paint. They are built with all top quality components. A real buy for the money.

### **DRS-224 A/Fuel Dragster Roller**

Our Scale Appearing SW11 Chassis, DRS Fish Tires, Clear Body A/Fuel Dragster is the most popular Dragster class that is run at major events. This car is light enough to place ballast in different places on the chassis for fine tuning to your track conditions.

### **DRS-225 Wing Car Roller**

DRS-47 Flash Chassis This car is based on the ever-popular wing car. We use various body styles. They are built with all top quality components. Use with C-Can Style Motors.

### **DRS-226 Jr. Dragster Roller**

DRS-43 Jr. Dragster Chassis/DRS-512 Jr. Dragster Body. This car is ideal for Brackets, the Jr. Dragster Class, and the Index classes.

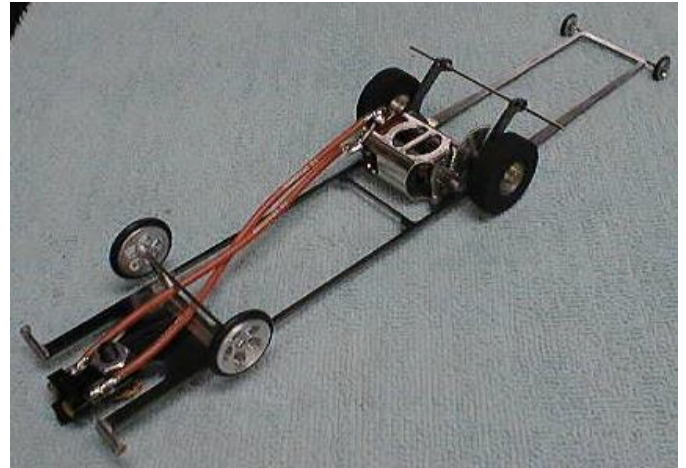

### **DRS-227 Jr. Funny Car Roller**

DRS-67 Jr. Funnycar Chassis DRS Body This car is ideal for Brackets, the Jr. Funny-Car Class, and the Index classes.

## **GunSlinger RTD'S (ready to drag)**

DRS-236 Pro-Factory Modified.

DRS-237 Pro-Top Sportsman

DRS-238 Long Wheelbase Pro-Stock Truck

DRS-239 Pro-Alcohol Funny-Car

**DRS-236 Pro-Factory Modified.**

Our DRS-SW01 Pro Doorslammer Chassis, DRS Grp.12 Motor, DRS Fish Tires, 13/54 Gears Clear Mounted Body. Factory Modified is one of the long running favorites classes that is run at major races. Body restrictions the same as Pro-Stock are enforced in this class. Makes for a very Scale Appearing car.

**DRS-237 Pro-Top Sportsman.**

Our DRS-SW01 Pro Doorslammer Chassis, DRS Grp.20 Motor, DRS Fish Tires, 13/54 Gears Clear Mounted Body. Top Sportsman has been run as a class since the mid 80's. This is the class for the slammer style bodies not legal for Factory Modified.

**DRS-238 Long Wheelbase Pro-Stock Truck**

Our DRS-SW07 LWB Pro-Truck Chassis, DRS Grp.20 Motor, DRS Fish Tires, 13/54 Gears Clear Mounted Body. This Truck is for the popular Pro-Stock Truck Class is one of the more popular classes in Slot Drag Racing. It features a scale 120" Wheelbase. It also has the new DRS 534 '99 LWB Extended Cab S-10 Body

**DRS-239 Pro-Alcohol Funny-Car.**

Our DRS-SW03 Chassis, DRS Grp.20 Motor, DRS Fish Tires, 13/54 Gears Clear Mounted Body. Winner of the 1999 "Winternationals" in A/FC. Makes a great "Gangster" car. Without ballast it weighs about 72 grams.

**DRS-240 Pro A/Fuel Dragster.**

Our Scale Appearing SW11 Chassis, DRS Grp.20 Motor, DRS Fish Tires, 13/54 Gears Clear Body. A/Fuel Dragster is the most popular Dragster class that is run at major events. This car is light enough to place ballast in different places on the chassis for fine tuning to your track conditions.

***\*\*Other options are available on "Gunslinger" cars. Chassis Bearings add \$25, Motor Bearings add \$25, SS Tube Chassis add \$25. Call DRS for Details. These cars are personally built by Bob Herrick.\*\****
